# Agenda Item 5

Item No.

Council 25 February 2005 5

Portfolio: Financial Strategy & Performance

Directorate: Strategic Resources

Author/Contact Officer: B P Hill Chief Accountant X8717 <u>COUNCIL TAX</u> <u>2005/06</u>

# Purpose

To present to the Council, for approval, the statutory calculations required to determine the Council Tax for 2005/06

#### Recommendation(s)

That the Council determine the Council Taxes and Special Expenses as set out in the report.

It is important to note that at the time of going to press, the Police Authority and County Council precept figures are provisional and indicative only, and subject to change when the formal precepts are determined. A revised statement will be circulated at Council if required.

# 1. <u>Background</u>

- 1.1. The fixing of the Council Tax is a mechanical process, once the individual elements of the calculation are in place.
- 1.2. The precepts are collated from the following authorities, and divided by the relevant taxbase for that area.
  - Northamptonshire County Council
  - Northamptonshire Police Authority
  - Northampton Borough Council General Expenses
  - Northampton Borough Council Special Expenses (including Parish Precepts)
- 1.3. This produces a Band D Council Tax for each authority and for each area. A standard multiplier is applied to the Band D figures to produce the Council Tax rates for Bands A to C and E to H.
- 1.4. The rates for the various authorities are then aggregated to produce a Council Tax for each Band within each area.
- 1.5. In order to fix the Council Tax, the Council is required to perform certain calculations, which form the resolution on the Council Agenda.

# 2. Tax Base

2.1. The Tax Base for each area has already been determined by the Council as follows.

	<u>Tax Base</u> 2005/06	<u>Tax Base</u> 2004/05
Billing	2,591	2,626
Collingtree	511	489
Duston	5,211	5,253
Great Houghton	287	289
Hardingstone	757	760
Upton	276	217
Wootton	5,992	5,924
Northampton (Unparished)	47,802	47,463
Northampton Borough	63,427	63,021

# 3. Council Tax Collection Fund Surplus/Deficit

- 3.1. The Council Tax Collection Fund receives the income generated by the Council Tax, and pays the precepts to the precepting authorities in cash terms.
- 3.2. Since the precepts are fixed, but the income depends on the collection performance and other factors, there is inevitably a surplus (or deficit) generated on the Collection Fund.

3.3. The Council is required by statute to make an estimate on 15<sup>th</sup> January each year as to the anticipated surplus at 31<sup>st</sup> March that year. This surplus is distributed to the major precepting and billing authorities pro rata to the previous year's precepts. I estimate the Collection Fund Deficit at 31<sup>st</sup> March 2005 to be £60,001.

#### 4. Special Expenses

- 4.1. Special Expenses are defined as expenses that are applicable to only part of an authority's area, such as the expenses of Parish Councils.
- 4.2. The Council resolved on 4<sup>th</sup> January 1993 that certain elements of its own expenditure were to be treated as Special Expenses. This resolution remains in force.
- 4.3. The various Parish Councils have co-operated in funding Borough Council expenses in parish areas by way of grants. In the case of Billing and Wootton Parish Councils, only part of the Borough Council's Special Expenses are funded by a Parish Grant. The detailed calculations which generate the special expenses are summarised in Appendix A attached
- 4.4. Special Expenses can thus be categorised as Parish Council Expenses, Borough Council Expenses financed by Parishes, and Borough Council Expenses not financed by Parishes.

# 5. Borough Council Precept

5.1. The Borough Council's precept derives from the Budget. Starting from the Adjusted Budget Requirement and adjusting for Parish Precepts, Government Grants and other prescribed calculations, the Borough Precept before and after Special Expenses is shown below.

	<u>2005/06</u>	<u>2004/05</u>
	<u>£</u>	£

Precept excluding Special Expenses	9,990,958	9,620,132

# 6 Major Precepts

6.1 The major precepting authorities and the Borough Council each levy a charge on the Collection Fund, which must be recovered by the General element of the Council Tax. The amount of these precepts is as follows :-

	<u>2005/06</u> <u>£</u>	<u>2004/05</u> <u>£</u>	<u>%</u>
Northamptonshire County Council (Estimate – subject to change)	54,355,414	52,513,587	3.5

Special Expenses	1,446,833	1,424,298	1.6
Total Precepts	75,508,319	72,975,234	3.5

# 7 The Council Tax

# 7.1 Basic Council Tax

The Basic Council Tax for Northampton Borough Council is derived by dividing the Total Borough Council Precept including Special Expenses (paragraph 5.1 above) by the Tax Base (paragraph 2.1 above). The Basic Council Tax is a standard measure of the Council Tax levels, although no properties in the town are actually levied at that rate, due to the operation of Special Expenses.

	2005/06 £	<u>2004/05</u> <u>£</u>	<u>%</u>
Northampton Borough Council	180.33	175.25	2.9

# 7.2 General Council Tax

The General Council Tax is derived by dividing the individual precepts in paragraph 6.1 above by the Tax Base defined in paragraph 2.1 above.

	2005/06 <u>£</u>	2004/05 <u>£</u>	<u>%</u>
Northamptonshire County Council (Estimate – subject to change)	856.98	833.27	2.8
Northamptonshire Police Authority (Estimate – subject to change)	153.17	149.43	2.5
Northampton Borough Council	<u> </u>	<u>    152.65</u> <u>   1,135.35</u>	<u>3.2</u> <u>2.8</u>

# 7.3 Special Expenses

The adjustment to the General Council Tax for Special Expenses is produced by dividing the total amount of Special Expenses for an area (paragraph 4.4) by the Tax Base for that area (paragraph 2.1).

	2005/06	2004/05	
	£	£	<u>%</u>
Billing	48.46	40.08	20.9
Collingtree	15.99	14.68	8.9
Duston	20.31	19.51	4.1
Great Houghton	60.14	58.14	3.4
Hardingstone	32.04	26.58	20.5

Wootton	56.14	53.64	4.7
Northampton (Unparished Area)	17.31	17.94	-3.5

#### 7.4 <u>Total Council Tax</u>

The Total Council Tax for a Band D property is therefore the sum of the relevant charge from paragraph 7.3, and the general charge from paragraph 7.2., as listed below

	<u>2005/06</u>	<u>2004/05</u>	
	£	<u>£</u>	<u>%</u>
Billing	1,216.13	1,175.43	3.5
Collingtree	1,183.66	1,150.03	2.9
Duston	1,187.98	1,154.86	2.9
Great Houghton	1,227.81	1,193.49	2.9
Hardingstone	1,199.71	1,161.93	3.3
Upton	1,174.92	1,149.17	2.2
Wootton	1,223.81	1,188.99	2.9
Northampton (Unparished Area)	1,184.98	1,153.29	2.7
Average Band D charge	1,190.48	1,157.95	2.8

#### 7.5 Council Tax by Band

The Council Tax for each Band is produced by multiplying the Band D Tax by a given factor. A full exemplification of the Council Tax for each Band in each of the various areas of the Borough is shown at Appendix B attached, together with a comparison to the current year's charge.

#### 7.6 Rounding Errors

The scaling of Band D charges to charges for the other Bands is actually performed at Authority level. This can introduce rounding errors at the Chargepayer level.

# 7.7 Average Council Tax

The Band D Council Tax is a standard measure of the local tax. However, the average tax charged is less than the Band D standard, due to the greater number of Band A to C properties.

	<u>2005/06</u> <u>£</u>	<u>2004/05</u> <u>£</u>	<u>%</u>
NCC Element Police Element NBC Element	653.50 116.80 <u>137.51</u> <u>907.81</u>	638.26 114.46 <u>134.24</u> <u>886.96</u>	2.4 2.0 <u>2.4</u> <u>2.4</u>
No of Properties	83,176	82,276	1.1
Taxbase	63,427	63,021	0.6

The percentage change in the average Council Tax is different from that of the Basic Council Tax due to the mix of new properties coming into use, and variations in the levels of single occupancy and empty property.

The average Council Tax is obtained by dividing the precept by the number of properties. The Basic Council Tax is obtained by dividing the precept by the Tax Base.

The number of properties in the Borough increased by 1.1% from 2004/05 to 2005/06, while the Tax Base increased by 0.6% over the same period. This variation represents the changing pattern of bands of properties currently being built, compared to the traditional property mix in the Borough.

#### 7.8 Collection Fund

A summary of the estimated position on the Collection Fund is attached as Appendix C

#### 8 **Resource Implications**

8.1 The Service Delivery Budget for 2005/06, as approved, includes the consequences of setting the Council Tax in accordance with this report.

Parish Council Expenditure

The Borough Council Expenditure details above have been identified by extraction from the Council's budget for 2005/06 and are in respect of the areas shown.
All figures have been discounted by 59.73%, representing the share of Council expenditure directly borne by Government in its contribution towards Council
Expenditure. The exception to this rule is the grant to Bellinge Community House (marked \$) which is funded in total by the residents of Billing Parish, at the
instigation of the Parish Council.
