Please note that this Forum is supported and funded by Northampton Borough Council. The Forum may work in partnership and collaboration with other community groups, councils and local services from time to time. The views expressed and decisions taken by the Forum are not necessarily those of Northampton Borough Council.

Community Information Exchange

Central Area Action Plan

The Council has published the Pre-Submission Draft Central Area Action Plan for a 6-week period from Thursday 4 November until Thursday 16 December 2010.

The future growth of Northampton provides us with an exciting opportunity to plan the Central Area in a way that ensures any growth supports and enhances the needs of people, both today and in the future. We also need to be very careful to protect and enhance the best of our heritage assets. The Central Area Action Plan is the plan which will ensure that any development opportunities which arise are used in a way that meets our vision for the future.

The Central Area Action Plan, known as CAAP, is for the citizens of Northampton who might live in, work in or visit Northampton. The Council has reached the final stages of developing the Action Plan. Before submitting it to Central Government for final approval (expected to be March 2011) we are required to publish it for a 6-week period – therefore we are calling this document the Pre-Submission Draft Central Area Action Plan. It will be available on Thursday 4 November 2010.

The purpose behind publishing the document is to seek any representations (which have not already been made and considered through previous stages of consultations). You can view the feedback we have received to previous consultations on the Council's website at www.northampton.gov.uk/planningpolicy.

The publication documents are available in the following locations:

- Available for inspection during normal office opening hours at the Council's Cliftonville House Reception, Bedford Road, Northampton and the Guildhall One Stop Shop, St Giles Square, Northampton. Copies of the documents will also be available from the Cliftonville House Reception and the Guildhall One Stop Shop.
- The documents are also available to view within opening hours at all libraries in the Borough (Central Library (Abington Street), Abington, Duston, Far Cotton, Hunsbury, Kingsthorpe, St James and Weston Favell, Wootton Fields).
- The full documentation can be downloaded from <http://consult.northampton.gov.uk>, or requests for copies can be made to the Planning Policy Team on 01604 838 907 or email planningpolicy@northampton.gov.uk.
