6. COMBINED ELECTIONS 7 MAY 2015

The Chief Executive gave a presentation on the arrangements for the verification and counting of votes for the General/Borough and Parish Elections in May 2015. The Chief Executive stated that this would be the largest ever elections in Northampton and would require significant staffing levels which might have an impact on service delivery. There would be two venues for verification and counting, at the Royal and Derngate (Parliamentary verification and count and Borough Council count held here) and Lings Forum (Borough Council and Parish Councils verification). A number of

Borough Council wards and Parish Councils will be verified at Towcester due to them falling in the South Northamptonshire constituency. Parish Council ballots will be counted at the Guildhall. A copy of the presentation is included in the updated agenda for the meeting.

In answer to members' questions the Chief Executive responded as summarised below:

- The Cabinet Office had recently issued helpful guidelines regarding verification of votes which would assist in the process.
- The Fees and Charges Order specifying rates of pay for those involved in running the election were awaited from the Secretary of State. There was liaison between the Council and the other Councils in the county to seek to avoid variation in the rates paid by each.
- There would be an extra member of staff available at the polling station where the door was accidentally locked for a few minutes at the last election.
- A different supplier is being used for the provision of mobile polling stations in 2015 and this would result in better quality polling stations. Surfaces around polling stations would be checked in advance to address any access issues.
- The government and the Council are promoting voter registration and the Council did not have a target for registration. Electors could confirm their details online and by telephone as well as by completing registration forms.
- For staff for the elections, approaches would be made to persons who had been involved in elections previously and after that requests would be made to staff at LGSS, NPH and NCC for additional support.

RESOLVED:

That the report be noted.

7. EXCLUSION OF PUBLIC AND PRESS
