“This Council notes in April 2012 the Coalition Government increased the discounts available for council tenants who buy their home using Right To Buy. This Council notes it was also announced that receipts from RTB would be used to replace the housing stock. This Council believes that RTB has been beneficial to tenants. We currently have plans to replace those lost under RTB. Since the announcement in March 2014 to build 100 new homes in Dallington we have lost at least 202 properties but plans are near completion to replace these in line with the Government requirement within 3 years.

Council debated the motion.

Upon a vote, the motion was carried.

- ii) Councillor Davenport to propose and Councillor Cali to second:

“This Council believes we need to secure more temporary / emergency accommodation of an appropriate standard in Northampton.

This Council must strive, as far as reasonably possible to secure accommodation within Northampton. The Council must try to place an applicant as close as possible to their social networks.

This Council believes it is not acceptable that some vulnerable people are placed in Wellingborough, particularly if they have children who go to school in Northampton.
