NORTHAMPTON
BOROUGH COUNCIL

Code of Conduct for the Forums

This Code of Conduct sets out the standards that the Forums expect of its members. It aims to provide members with an effective ethical framework in which to do business. It is not intended to be exhaustive, or to cover every eventuality, but sets out some common sense requirements to enable the forums to function smoothly and successfully.

It is the responsibility of the Chair to encourage and enable input from forum members, to ensure all voices are heard.

1. Meeting Etiquette

As an attendee you must comply with the following requirements and any others that may be stated from time to time:

- 1.1** Contribute positively to discussions concerning the issues of the meeting
- 1.2** Be friendly, polite, courteous and respectful at all times to fellow members, and others present
- 1.3** Not insult, abuse or use offensive language or behaviour
- 1.4** Comply with Northampton Borough Councils Equal Opportunities Policy
- 1.5** Demonstrate actively that you are interested in and care about the issue that you are discussing and want to make a positive difference
- 1.6** Show respect for buildings, facilities and equipment being used
- 1.7** Speak only through the Chairman of the meeting and not interrupt, heckle, make distracting noises or gestures
- 1.8** Speak clearly into any microphone provided and comply with any instructions given about its use

2. Being Objective

- 2.1** Your own experience and views should inform, but not dominate or dictate how you participate.
- 2.2** If you have a specific issue with regards to a service matter to raise these can be discussed with a member of staff at the end of the each meeting or you can ask for the appropriate officer details. Meetings attended by other residents are not the place to raise any issues of this nature.
- 2.3** Be Fair
- 2.4** You must have and show respect for the people you deal with, and take their circumstances and personal differences into account. This is about putting equality into practice. The key is simply to respect differences fairly, so that you do not exclude anyone, or treat anyone inappropriately or unfairly because of their particular circumstances.

Breaching the Code of Conduct

If any person's behaviour breaches this Code of Conduct, they will be required to leave the meeting and vacate the premises where it is being held. They will not be permitted to attend future meetings unless they provide satisfactory evidence to Northampton Borough Council that they will comply with the Code – e.g. a letter of apology.

If you would like further information or if you would like to discuss the Code of Conduct please contact Vicki Rockall, Partnerships and Communities Manager at vrockall@northampton.gov.uk or on 01604 837074

2. MINUTES AND MATTERS ARISING

BM : Concern over Universal Credit. This should be brought up in the next meeting.

3. CUTS IN FUNDING FOR PEOPLE WITH DISABILITY - MARTIN DE ROSARIO

MD: Many lives affected by cuts in disability. People cannot drink or eat properly.

BM: With benefits in general. There is a nice or kind way of rolling out reform. Structure of social security. This group should debate.

MD – asked to change to Government as this is non-political group.

BB – affect d2d bus service – worried to death going to lose the service – is it the Government or NCC? Speak to Cllrs to find what being cut.

JD didn't hear the question – NCC give money to bus provider to help people who live in villages, so they will be affected, not D2D. NBC gives money to fund D2D. They are funded through the Partnership Funds.

NBC do have funding called Discretionary fund which can help people. Please let forum know.

RC: Did contact DPAC.

VR: Will contact DPAC

VR: This is not a political platform of the group.

DP: Problems with the PIP applications. People have gone from one place to another. Received a demand for £6000. Went through a mandatory review. Problems were that he went into debt. ACTION: DWP could help. Please speak after the meeting.

BM: We read and hear so many sad stories regarding government cuts. ACTION: Would like to find out the stats from when the first cuts were first implemented.

SA: Would like to highlight a case study in Northampton. Individual had 23 years in mental health services. Received good service from OT. Was able to reduce visits to hospital. Diagnosed with Bipolar. Had difficult times at work in personal life. Had to be returned to GP due to cuts. GP retired so knowledge lost. Will be raising a complaint with NHFT. No funding for community advocacy.

MD: Employers do not know how to deal with mental health issues.

4. ST PETERS CAR PARK - CLLR PHIL LARRATT

PL: The owner of the St Peters Way car park (privately owned), has been managed by NBC on the same principle applied for the other car parks, including free parking for Blue Badge Holders.

The owner of the car park no longer wishes NBC to manage it and now appointed NCP to run this car park. NCP charge Blue Badge Holders for parking. This is not an NBC decision, it is purely that of the land owner. NCP charges will therefore apply to this car park, including charges for Blue Badge Holders.

NBC also manages the Morrisons car park on behalf of Morrisons. All the multi storey car parks, and most surface level car parks in the town are owned and operated by NBC.

DP: There must be clear signage with decent font size.

Action: Officers to make sure signage is clear and have the disabled logo attached.

5. SCOOTER2GO - SUE ARMSTRONG

SA: Background as PE teacher. Developed a spinal disease and have bipolar. Was dismissed as a teacher due to the fact that she had bipolar.

Set up Action Support a social enterprise. Trained 20 volunteers advocating in the community. Started off training to work programme. Removed labels and see people as people.

Moved in St Giles Street. Now in Moulton Park.

Action Support works hand in hand with Scooter2Go. Invests its profits from the Furniture Centre and Property Maintenance & Garden Care Service into Train4Work supported employment programme.

Scooter2Go – In May SA lost use of legs. Used a scooter. No longer need this. Shopmobility shut down in October. Run by Northampton Door to Door Service. So many people relied on service. Went to Shiremobility who loaned Scooter2Go 7 scooters. Contacted Tangerine Red and APS and asked them to do the signage. Did this for free. Contacted NBC with Business Plan and asked for £10,000. Grateful to NBC for the support.

8th December – small anniversary party. All welcome.

Membership fees explained. Cater for individual needs. Now have 13 scooters. Have various items for sale. Sell second hand disabled aids.
