FORWARD PLAN

FOR THE PERIOD 1 FEBRUARY 2012 TO 31 MAY 2012

What is a Forward Plan?

The Forward Plan is a list of the key decisions, which are due to be taken, by the Cabinet during the period covered by the Plan. The Council has a Statutory duty to prepare a Forward Plan. The Plan is updated monthly and is available to the public 14 days before the beginning of each month. It covers a 4-month rolling period. It can be accessed from the One Stop Shop and/or the Council website www.northampton.gov.uk.

What is a Key Decision?

A key decision in the Council's constitution is defined as:

- Any decision in relation to the Executive function* which results in the Council incurring expenditure which is, or the making of saving which are significant having regard to the Council's budget for the service or function to which the decision relates. For these purpose the minimum financial threshold will be £250,000;
- Where decisions are not likely to involve significant expenditure or savings but nevertheless are likely to be significant in terms of their effects on communities in two or more wards or electoral divisions; and
- For the purpose of interpretation a decision, which is ancillary or incidental to a Key decision, which had been previously taken by or on behalf of the Council shall not of itself be further deemed to be significant for the purpose of the definition.

* Executive functions are those, which are the responsibility of the Cabinet as opposed to, for example, regulatory functions, which are the responsibility of the Council's Planning or Licensing Committees.

Who takes Key Decisions?

Under the Council's constitution, key decisions are taken by

- Cabinet
- The Leader or Deputy Leader (in matters of urgency only)
- Individual officers acting under delegated powers (it is rare for any decision delegated to an officer to be a key decision)

Are only Key Decisions listed in the Forward Plan?

The Council only has a statutory obligation to publish only Key Decisions on the Forward Plan. However, the Council has voluntarily decided to list non-key Cabinet decisions on the Plan as well. In order to clarify matters on the Plan, Key decisions have a  symbol next to the item.

What does the Forward Plan tell me?

The Plan gives information about:

- What key and non-key decisions are coming forward in the next four months (these decisions have a symbol next to them)
- Other non-key Cabinet decisions that are coming forward in the next four months
- Whether the decision will be taken in public or private
- When those key decisions are likely to be made
- Who will make those decisions
- What consultation will be undertaken
- Who you can contact for further information
