To the Licencing Officer,

I work at Urban Tiger for 2 years as a dancer. I need to work to pay my rent and bills and for my education. I really like this job and I never had any problems in the club. It is really safe place to work and I am very comfortable here. If I lose my job I wouldn't be able to do my degree and I don't know what I will do and how I will live.

Thank you.

Anna
