

10 January 2011

To the Licensing Officer:

I work at Urban Tiger as a dancer. I am writing to you because I am worried that Urban Tiger might get closed down. That means I lose my job and have no money to pay my rent and bills.

Urban Tiger is a great place to work. I like work here. It is safe place to work and I enjoy being here very much.

Please give Urban Tiger a licence.

Yours,

Olga Blinova
