Dear Licencing Officer

My name is Supatsara Khansapad and I work at Urban Tiger as a dancer for 3 years. I also study full-time. It is a good place to work because it is safe, because the staff look after us, everyone is very friendly. I never have any problems in the club.

If I lost my job I lost everything. I lose my college, I lose my flat and I would have to claim benefits. Please keep Urban Tiger open.

Regards,
