

**To: The Licensing Committee, Northampton Borough Council, St.  
Giles Square, The Guildhall, Northampton, NN1 1DE**

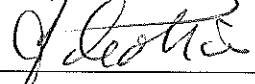

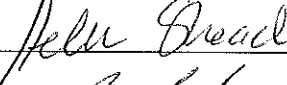

*We the undersigned object to the granting of a licence to sell alcohol at the proposed NISA Store at 45 – 49 Oulton Rise, Parklands, Northampton, NN1 1DE. Our principal objection is that the sale of alcohol between the hours of 6am and 11pm (Monday to Sunday) will further increase the level of anti-social behaviour seen within the Parklands Ward, the evidence of which will be presented with this petition at The Licensing Committee meeting when this application is heard.*

## **Recent evidence of Anti-Social Behaviour within Parklands and surrounding area**

1) Illegal motor-cycle use on Bradlaugh Fields

2) Persistent reports of vandalism and repair of bus shelter in Spinney Hill Road which faces numbers 45 – 49 Oulton Rise. These have all been reported to the Borough Council and the local Councillor Cllr. Mike Hallam along with his predecessor Cllr. Malcolm Mildren have requested that the bus shelter be removed due to persistent damage. The other bus shelter at turning circle in Spinney Hill Road was previously removed after persistent damage and anti-social behaviour.

3) Anti-social behaviour movements along alleyways causing damage to both hedgerow and car vandalism

4) and 5) Three hotspot areas of anti-social behaviour including alleyway between Coppice Drive and Tattersall Close, children's play area by Parklands Community Centre and the alleyway close to Spinney Lodge Vets and the shops in Coppice Drive. Anti-social behaviour at these shops led the vets to install CCTV, a repair of the wall and graffiti removal from the electricity sub-station and damage/graffiti to shops in Coppice Drive. These incidents have led to multi-agency meetings and the introduction of a third party agency, Service Six, to try to resolve these issues.

6) Other Issues

- Multiple reports of snow ball throwing at windows, stone throwing at windows and abusive language towards local residents.
- Introduction of an anti-social behaviour dispersal order elsewhere within Parklands Ward.
- The high propensity of alleyways in the Parklands area makes it easy for groups to move around the area quickly and in areas where it is difficult for them to be seen
