[Please read guidance note 2]

At 00.44 on 11th February 2012 Police were called to a large scale disturbance at the Jolly Crispin Pub, Great Russell Street, Northampton.

Upon arrival officers were faced with a group of people fighting using tables, chairs, pool cues and glasses as weapons.

Additional Police resources were called in to deal with the melee (at one point 16 officers were in attendance). Apart from minor injuries 3 persons had significant injuries; one was unconscious when Police arrived. All 3 required hospital treatment for a variety of head injuries the most serious of which was a suspected fractured jaw and eye injuries.

The Licensee (DPS), Andrea Harris was present, but was uncooperative with the officers and was extremely intoxicated. The majority of the persons present were also extremely intoxicated. None of the persons involved are making any formal complaints of assault this indicates that it is likely that there will be reprisals at a later date.

On a Friday & Saturday nights, the premises is only licensed to sell alcohol to midnight and should be closed to the Public at 00.30 hours, this incident occurred about 15 minutes after it should have been shut.

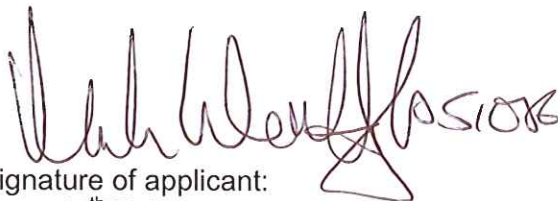

In August 2011 there was another serious assault in the pub where the victim was stabbed/slashed and a corrosive substance was sprayed throughout the bar.

In May 2011 the premises failed a Test Purchase operation and 2 children under 18 were served with alcohol.

It is necessary to call for this expedited review as it appears the Licensee has lost control of the Pub; it is a premises where serious violence and disorder has broken out.

It is the request of the Police that the following interim steps are taken:

- The DPS is removed with immediate effect
- The premises license is suspended until the full review can be heard.

Notes for guidance:

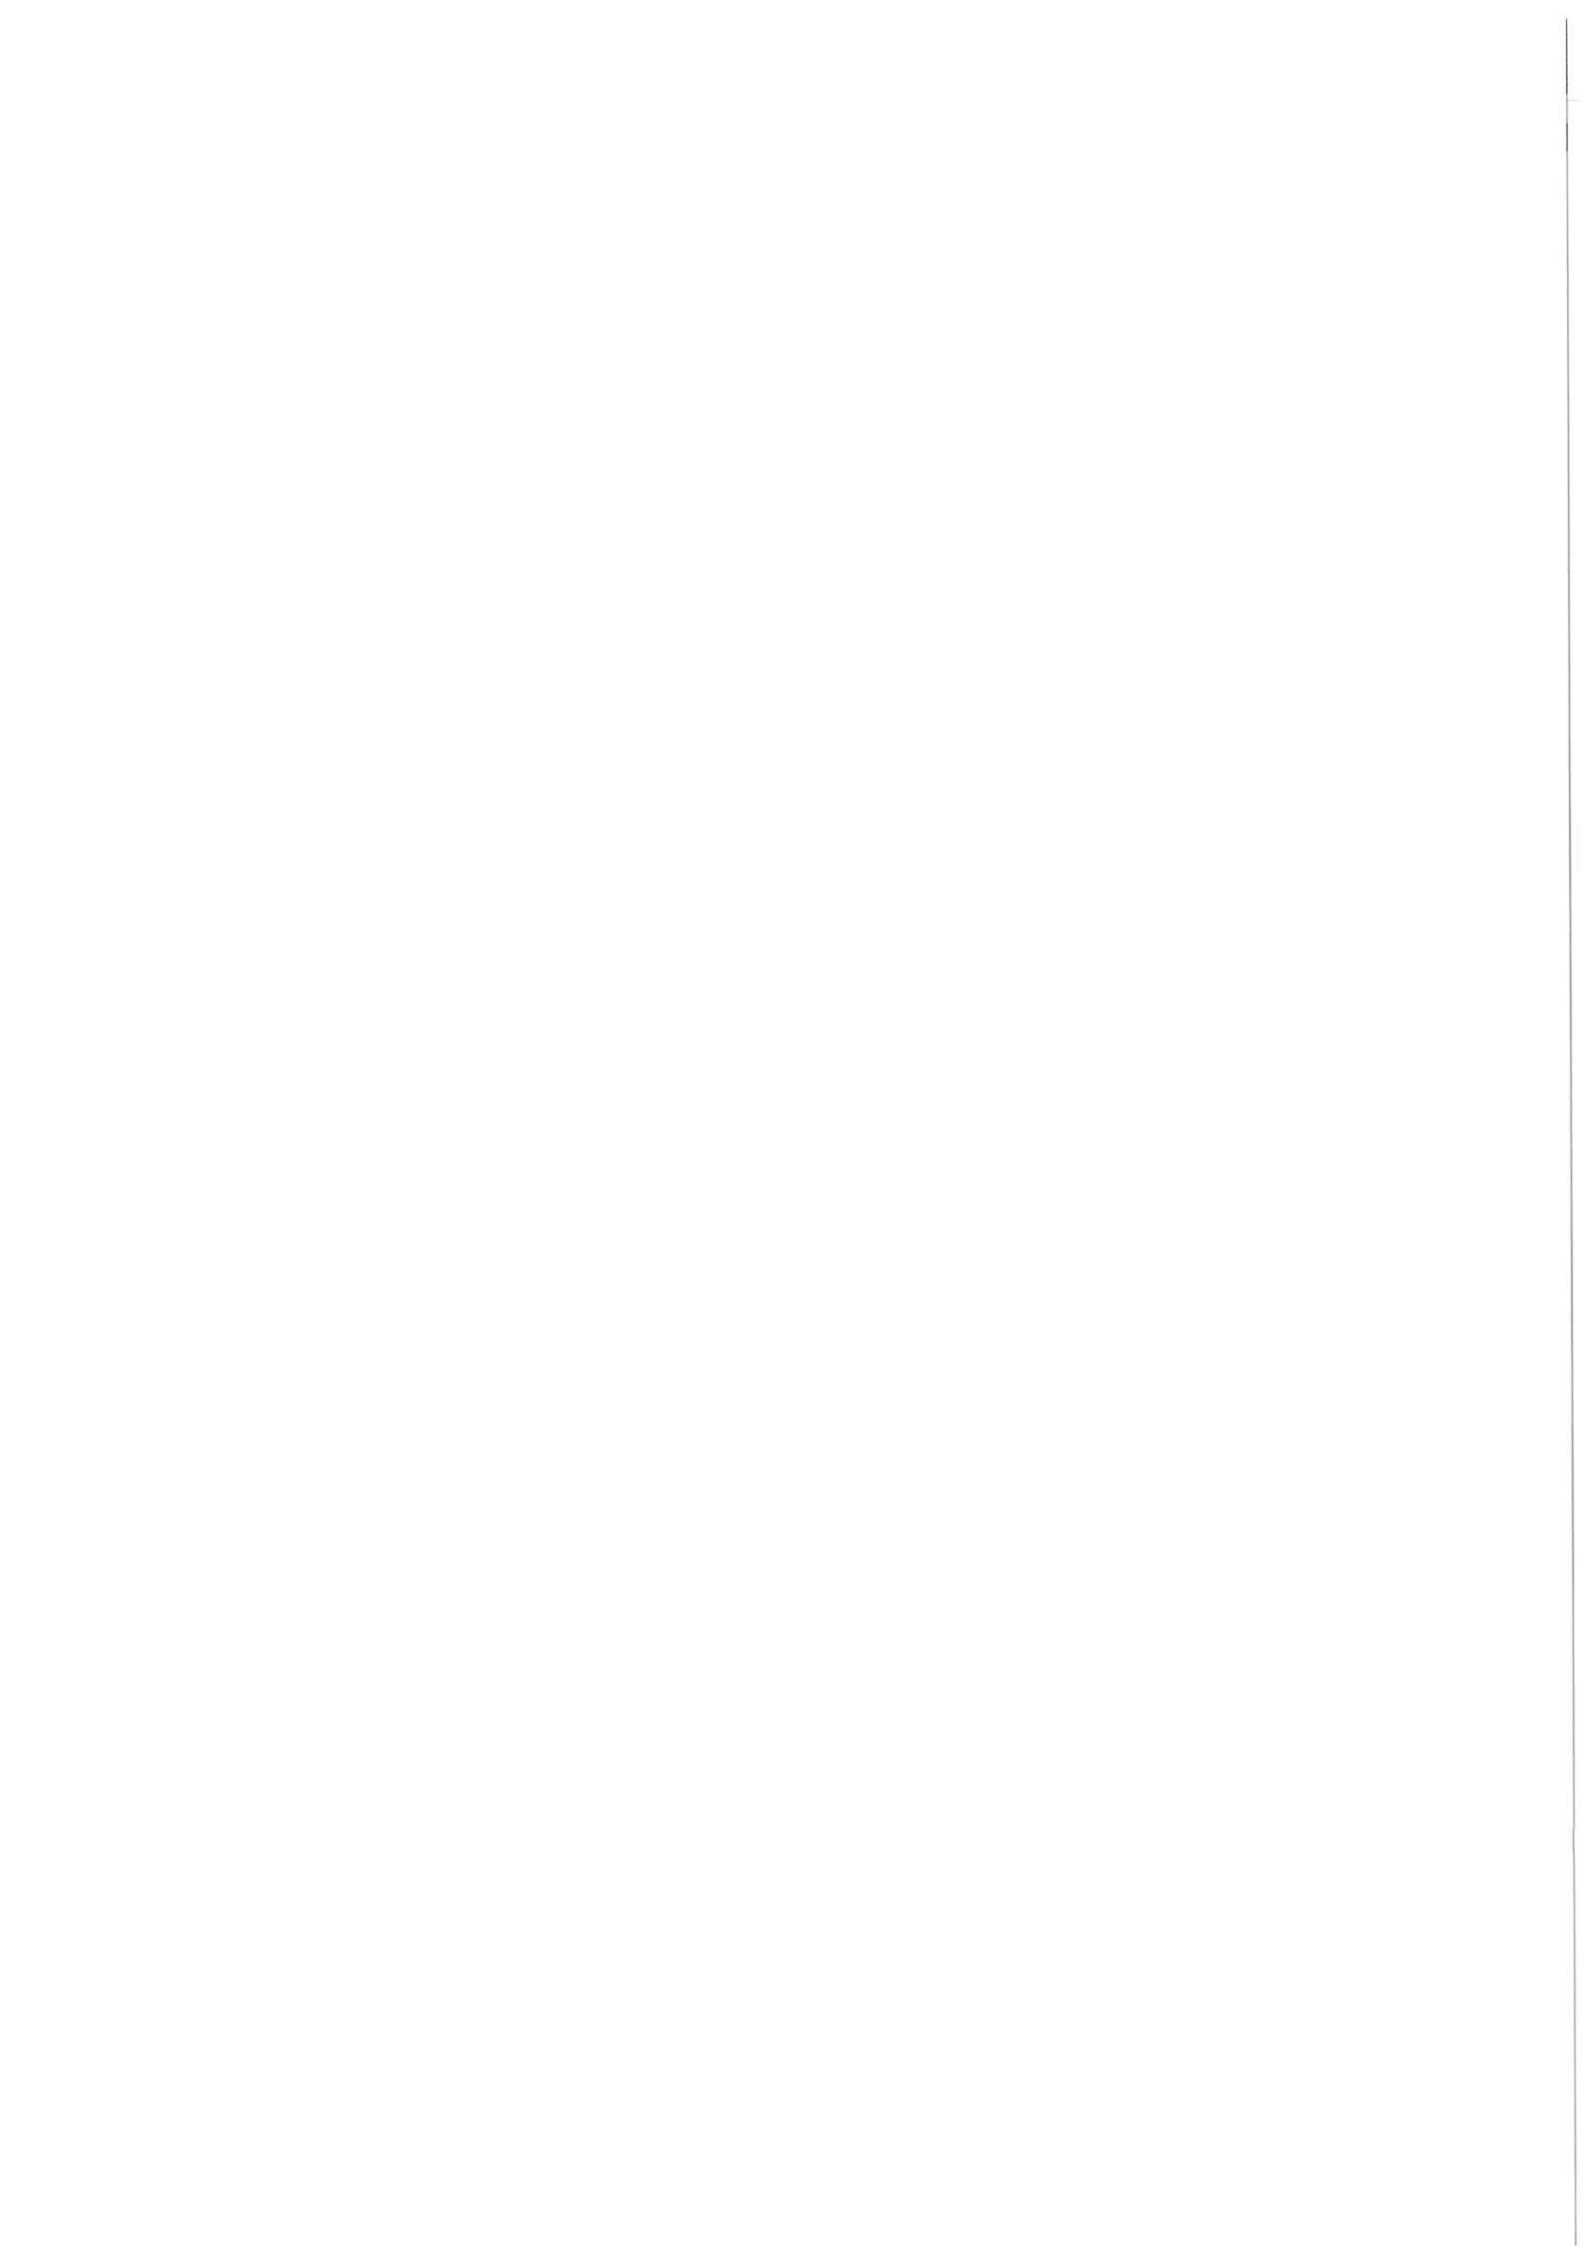

1. A certificate of the kind mentioned in the form must accompany the application in order for it to be valid under the terms of the Licensing Act 2003. The certificate must explicitly state the senior officer's opinion that the premises in question are associated with serious crime, serious disorder or both.

Serious crime is defined by reference to section 81 of the Regulation of Investigatory Powers Act 2000. In summary, it means:

- conduct that amounts to one or more criminal offences for which a person who has attained the age of eighteen and has no previous convictions could reasonably be expected to be sentenced to imprisonment for a term of three years or more; or
- conduct that amounts to one or more criminal offences and involves the use of violence, results in substantial financial gain or is conduct by a large number of persons in pursuit of a common purpose.

Serious disorder is not defined in legislation, and so bears its ordinary English meaning.

2. Briefly describe the circumstances giving rise to the opinion that the above premises are associated with serious crime, serious disorder, or both.

The Licensee is uncooperative with Police; she was intoxicated when the incident took place. Serious crimes have occurred at this premises in the last 6 months and there is indication from those involved in the most recent incident that there will be reprisals, to wait for a normal review period could lead to further crime & disorder at these premises.
