Section 19 of 20

LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

Continued from previous page...

If the club wishes members and their guests to be able to consume alcohol on the premises select on, if the club wishes people to be able to purchase alcohol to consume away from the premises select off. If the club wishes people to be able to do both select both.

As a responsible company we will ensure the promotion of the licensing objectives by considering them fully prior to adopting operating policy, engaging in competitive activity, and when holding promotions and events.

Any challenges identified at this time that may prevent us from upholding the Licensing Objectives will be assessed and appropriate steps taken to mitigate against such risks.

Where risks are identified that may impact other parties such as neighbours or the Police we will consult with them prior to deciding whether to proceed.

Further to this it will be our policy to monitor our performance, to repeat success and to address shortcomings as appropriate.

b) The prevention of crime and disorder

We recognise the avoidance of crime and disorder as being paramount to the successful operation of our business. Accordingly we will aim to identify individuals and situations that may lead to crime and disorder, and address with a range of options such as refusing entry/service etc, alerting the Police and other operators via the Borough Council CCTV and radio system.

In addition to the above we will employ Security Industry Association door supervisors during times that we consider to be high risk. The role of security will be to avoid disorder, and to effectively and appropriately manage any situations that may occur despite our best efforts.

We will operate a CCTV system and retain images for up to 28 days, making copies available to the Police when requested – and ensure that duty managers are trained in making such copies. We will also join and support local Pub Watch, and Borough Council Radio Link.

c) Public safety

The public safety aspect of our business is governed by the Health and Safety at Work Act 1974, the Health and Safety at Work regulations 1999, and the Fire Precautions (workplace) Regulations 1997. In the interests of Public Safety we will be upholding the requirements of these Acts and any amendments made to them.

d) The prevention of public nuisance

We recognise that our business activity has the potential to cause nuisance. We will therefore aim to ensure that noise levels are set, monitored and adjusted to avoid nuisance. We will also address litter and associated dangers by having robust policies in relation to housekeeping and in preventing customers leaving the premises with bottles or glasses, and will personally request people to consider our neighbours when leaving the premises.

e) The protection of children from harm

We will protect children from harm by strictly restricting under 18 admission into the premises to times that we feel are appropriate, and when this is the case only allow with appropriate adult supervision. An example of an appropriate time would be during food service, as part of a group eating from the menu.

At times when the predominant activity of our customers is the consumption of alcohol (such as after food service has ceased) our policy is to prohibit children from entry.

In relation to identifying people under 18 attempting to consume alcohol, we will adopt best practice guidelines included in schemes such as 'Challenge 21' and 'PASS' to assist us in compliance with the Licensing Act 2003.
