Dear Louise,

**Revolution (Inventive Leisure), 34 Bridge Street, Northampton, NN1 1NS**  
**Proposed roof terrace**

I refer to the recent application to vary the above Licence.

I am concerned that the proposals to provide a roof terrace will give rise to a Public Nuisance due to the close proximity of The Pinnacle Woolmonger Street.

Even if there are no plans to provide musical entertainment in the area, a gathering of people will generate considerable levels of noise in their own right. This type of noise will not be controllable and the proposed acoustic screens (shown on their Planning Application) would not be expected to provide any attenuation due to the Pinnacle overlooking the site.

Therefore, Regulatory Services object to this part of the variation proposal.
