### **Notes on Forecast Variances**

#### Rents - Dwellings Only

Right to Buy completions in 2013 have been greater than expected, resulting in reduced rental income.

#### Service Charges

Supporting People funding is being withdrawn at the end of September. This is partly offset by a reduction in staffing costs within the Wardens service (see Special Services below). Note that a reserve was prudently created in anticipation of this occurrence and is sufficient to meet the remaining net shortfall.

## Repairs and Maintenance

Vacant posts within the service have resulted in a projected saving on staff costs.

# **Special Services**

The underspend largely relects staff savings within the Sheltered Accommodation service as a result of a restructure. This saving is partially offsetting the withdrawal of Supporting People funding (see Service Charges above).

# Rents, Rates, Taxes & Other Charges

Changes in legislation are expected to increase the amount of Council Tax payable on void properties.
