**Subject:** Sales of alcohol Barrack Road

I am e-mailing you with my concerns over the application to sell alcohol from a premises in the Barrack Road (near Marble Arch). I would be totally against this bearing in mind this is an alcohol free area.

In the past before the Night Shelter moved to the end of Bailiff Street it was horrendous working in the area with beer cans and rubbish in the streets. With the cooperation of the Night Shelter, the Police and the local premises owners we managed to control the situation, and when the Night Shelter moved it made working in the area even better. I understand the Hope Centre is re-opening in Ash Street with more people about, with more alcohol available I feel this would be a backward step for people living and working in the here..

Louise,

Please see the below representation from a stakeholder in the local community. I am looking at the representation as being on the grounds of the Prevention of Crime and Disorder, Public Safety and the Prevention of Public Nuisance.

Theresa, could you please forward any correspondence and supporting documentation on to Louise using the email address listed above.

Thanks

**Subject:** new off licence

I would like to express my concern regarding yet another off licence just off the Barrack Road.

The project I manage support in is has a high number of customer who mis use alcohol and have very serious issues with it. Our project is literrlay a 2 minute walk from the proposed off licence.

At present it is hard to support people with their recovery due to the local shops providing a never ending stream of alcohol to anyone. The impact yet another off licence will have is likely to be detrimental to those in recovery. I have no doubt that it will also increase street drinking, yet again, of which we have just managed to reduce.

I hope that this information can be used to look into this issue and avoid the detrimental effect this would have on both our work and our customers recoveries.

Kind regards

Im unsure what I can give you as hard evidence.

I can say that we have worked recently with local businesses around street drinking which was exceptionally high and causing ASB. We continually have customers on the verge of eviction for alcohol misuse, street drinking, anti-social behaviour in the vicinity of this proposed off licence.

Prior to the work we have done around street drinking with the local shops etc we had daily incidents of customers urinating in the street, threatening shop keepers, my staff having to go and get drunken customers off the street or road.

Without directly quoting from customers files I am unsure how I can give you hard evidence. Apart from the calls that are made either to the police or to us from local businesses.

We have only just got the ASB and street drinking under some control and another off licence comes up

### **Objection 3**

Email: Wed 20/04/2016 10:04

Stevens Chris <Chris.Stevens@northants.pnn.police.uk>

Louise,

After consulting with my local Safer Community Team colleagues, I wish to register an objection to this application on behalf of the Chief Constable of Northamptonshire Police.

This objection is on the basis of the Prevention of Crime and Disorder, Public Safety and the Prevention of Public Nuisance. The objection will centre around the fact that this area is one that attracts a large number of anti-social behaviour and violence issues and that the presence of this off-licence will lead to an increase in this and jeopardise public safety, and lead to a rise in crime and disorder.

Thanks
