Our Ref: SUK000428/17

Dear Sirs

126 Wellingborough Road

We have been instructed by our client to submit an application for a Premises Licence in respect of the above premises and enclose herewith the application form and DPS consent form. Arrangements are being made to display a site notice and to publish the same in a local newspaper.

As you will be aware, this premises is situated next to a number of others and we anticipate that there will be very little, if any, additional impact from the presence of these premises. Our client is in the process of making a planning application for a change of use, but has elected to apply for a licence in the first instance.

The conditions that we have compiled reflect some of the conditions on other premises in the area and we hope that these will prove to be sufficient.

We hope that there will be no representations on this application in view of the control measures offered but if a Responsible Authority or Interested Party does have any concerns, then we would recommend that they discuss them with us first so that we can attempt to come to an agreement on the proposals and avoid the need for a hearing.

Arrangements are in place for a site notice to be displayed and a notice placed in a local newspaper.

This matter is being dealt with by Mr Payne.

Yours faithfully,

Licensing Lawyers

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

All staff engaged in a licensable activity must be provided with training on the promotion of the licensing objectives that is commensurate with their duties. Details of this training shall be recorded in a log, which shall be retained at the premises, unless removed for the purpose of duplication, for a period of at least six months from the date of the last entry. This record shall be made available for inspection upon reasonable request by an authorised or police officer.

b) The prevention of crime and disorder

A CCTV system shall be maintained which shall cover the entry/exit points and the bar/till area where any licensable activity takes place and will record at all times when open to the public. The system shall record images from the cameras and shall be calibrated with a time stamp to show the date and time that the image is recorded. Recordings will be stored for at least 25 days and a member of staff trained in the operation of the equipment will be available or contactable to attend the premises at all times the premises are open to the public.

A log book shall be maintained that shall record details of any calls made to the contact telephone number by a local resident or enforcement officer, where that call is in relation to one or more of the licensing objectives. The log shall record the date and time of the call, the identity of the caller if known, the issue reported and the corrective action taken. The log book shall be retained at the premises, unless removed for the purpose of duplication, for a period of at least six months from the date of the last entry. This record shall be made available for inspection upon reasonable request by an authorised or police officer.

Other matters of public nuisance can be controlled by virtue of the provisions of the Environmental Protection Act 1990 and the Noise Act 1996.
