### 10b

**N/2017/1097**  
Erection of 81no dwellings including new vehicular access from Billing Brook Road  
Emmanuel Church Middle School, Birds Hill Walk  

**Amended Conditions:**

(3) The development hereby permitted shall be carried out in accordance with the materials detailed on drawing numbers 40947 032E, 40947 033A, 40947 035.  

Reason: In the interests of visual amenity and to ensure that the development will harmonise with its surrounding in accordance with Policy E20 of the Northampton Local Plan.  

(14) The development hereby permitted shall be carried out in accordance with the boundary plan detailed on drawing number 40947 028E.  

Reason: In the interests of securing a satisfactory form of development in accordance with the requirements of the National Planning Policy Framework.  

**Officer comment:**

In the report reference to Birds Hill Road should read Birds Hill Walk.  
Billing Brook School is located on the opposite side of Billing Brook Road and not Birds Hill Walk.

### 10c

**N/2017/1144**  
Change of Use of Belgrave House from offices (Use Class B1a) to student accommodation (Sui Generis)

Officer Response: The overall layout and number of units has changed as a result of the amendments to the application, with the main change comprising the replacement of an allotment adjacent to the Collingtree village boundary with a community orchard in response to feedback from stakeholders. Other changes to the have application have been more minor in nature and include small adjustments to the siting of dwellings to improve separation distances between properties; additional visitor parking spaces and repositioning of allocated parking spaces to ensure that they are not directly in front of neighbouring properties; paths to rear gardens added to allow bin storage in rear gardens; clarification of junction visibility splays, vehicle tracking and extent of highway land; introduction of side windows to properties such as on corner plots; revisions to enclosures; additional tree planting; and more detail of the new play equipment and associated surfacing.

However, as it is likely that further revised plans will be submitted by the applicant to address further comments from the Highway Authority. It is recommended that delegated authority is given to the Head of Planning to amend the final wording of some of the planning conditions as a result of these minor technical changes before issuing the formal decision notice.

Amended Officer Recommendation:

Paragraph 1.1 of the report to be amended to APPROVAL IN PRINCIPLE subject to the conditions and reason in the Committee Report, with delegated authority to the Head of Planning to agree minor technical details following receipt of further amended plans and amend any planning conditions as necessary.

Paragraph 12.1 of the report to be amended to “The development is CIL liable”.

N/2017/1591
Conversion of existing dwelling into 2 flats including single storey rear extension
95 Clarence Avenue

Given that the proposed first floor flat has no direct access to the rear amenity space where any proposed cycle storage would be located, Condition 6 has been amended to reflect this to refer to the ground floor flat only.

Amended Condition:

(6) Prior to the occupation of development, full details of facilities for the secure parking of a bicycle for the ground floor flat shall be submitted to and approved in writing by the Local Planning Authority. Development shall be carried out in accordance with the approved details and fully implemented prior to the development being first brought into use and retained thereafter.
Reason: To ensure the provision of adequate facilities in accordance with Policy H1 of the West Northamptonshire Joint Core Strategy.

**Amended Condition:**

(10) Prior to the commencement of development a Construction Environment Management Plan shall be submitted to and approved in writing by the Local Planning Authority. Development shall be carried out in accordance with the approved plan, which shall include:

- The control of noise and dust during the development process;
- Traffic management and signage during construction;
- Enclosure of each phase or sub-phase development sites during the construction process;
- Provision for all site operatives, visitors and construction vehicles loading, parking and turning within the site during the construction period;
- Arrangements during the construction period to minimise the deposit of mud and other debris on to the adjacent highway;
- The safe means of access of construction traffic to the site;
- Routing agreement for construction traffic; and
- The hours in which deliveries and construction works would take place;
- Pre-commencement survey into potential badger activity.

Reason: In the interests of securing a satisfactory impact upon the highways system and neighbour amenity in accordance with the requirements of the National Planning Policy Framework. This condition is required pre-commencement to ensure that such details are agreed in a timely manner.

**Change of Use from Dwellinghouse (Use Class C3) to House in Multiple Occupation (Use Class C4) for 5 occupants (retrospective)**

19 Margaret Street

Following a review of records, it has been established that there are in fact 10 existing HIMOs within the 50m radius of the site, rather than 9 as stated in the Committee report. This means that this application would bring the area concentration to 9.6% rather than 8.7%. This is still within the threshold of 15% and therefore the recommendation is unchanged.
