6.0 Plan of Premises Layout & Location

Please see premises Plan and Location map attached as Appendix B.

7.0 Options

7.1 At the end of the consultation period the licensing authority must hold a hearing. It must take such steps as it considers appropriate for the promotion of the licensing objectives, which are:

- the prevention of crime and disorder
- public safety
- the prevention of public nuisance
- the protection of children from harm

The steps the Sub-Committee can take are to:

- reject the whole or part of the application;
- To modify the conditions of the licence (excluding the mandatory conditions).

7.2 The Sub-Committee should note that, although the applicant has stated that they agree to the conditions referred to at paragraph 4.4 above, it is for the Licensing Sub-Committee to determine what conditions are added to the licence.

8.0 Policy Considerations

8.1 Statement of Licensing Policy

8.2 s.182 Guidance Licensing Act 2003 (April 2018 version)

Section 9 gives guidance for determination of this application.

Sections 8 & 10 highlights the elements of the Guidance that are most relevant with respect to this application. This is not exhaustive and the Guidance should be considered fully prior to making decisions with respect to applications.

9.0 Committee

Each application must be considered on its own merits and any conditions attached to licences and certificates must be tailored to the individual style and characteristics of the premises and events concerned. This is essential to avoid the imposition of disproportionate and overly burdensome conditions on premises where there is no need for such conditions. Standardised conditions should be avoided and indeed, may be unlawful where they cannot be shown to be appropriate for the promotion of the licensing objectives in any individual case.

F.A.O Ian Ellis

Dear Sirs,

4 Henry Street – Variation Application 057376

We are writing to you to register our objection to the Variation Application 057376 by 4 Henry Street Northampton. The basis for this opposition is that granting the variation to the license for these premises will not promote the licensing objectives, particularly the prevention of public nuisance.

We live [REDACTED] a block of terraced houses.

Our biggest concern with regards to the Variation Application is the noise levels. On quite a number of occasions we have posted polite notices through the door to ask them to keep the noise down which they have blatantly ignore. We both work 9-5 jobs and as you can imagine trying to get to sleep with the noise they are making is already difficult, our concerns are that this extension is going to cause more disruption and I fear this will start to affect our work. We feel that they are not respectful to us and other members of the street when they are banging doors, shouting and generally just causing a nuisance to us [REDACTED]

Another concern we have is the litter and smoking, we are at a point where we have had to close our Living room window because people loiter outside the front of the house smoking, when we have asked them to move they have just ignored us. On a weekly basis we have to sweep outside our house because people have littered outside our window and I have watched them first hand go back into 4 Henry Street, our bin day is a Monday and there is always rubbish outside the property before this, as you can imagine in the summer especially, it is not nice, we cannot have our Living Room window open because of the odour of rubbish and smoke.

Parking is another issue, as I am sure you are fully aware we live on a terraced street where parking is limited anyway, with this Variation Application we feel this is going to cause us an even bigger problem. Why should we not be able to park outside of our house in a residential street because of the business next door?

In view of the above, I would urge the Licensing Authority to refuse the application.

Yours Faithfully

[REDACTED]

Hi Louise,

Thank you for the consultation on the variation of the license for this Turkish Social Club.

The proposed single storey extension will require Planning permission. We have received the application but it is still being validated and the outcome is pending.

I hope that is of some assistance, please let me know if you would require any further information.

Kind Regards,
Kanchan
