### 3. Issues and Choices

#### 3.1 Report Background

- 3.1.1 Full Council, at its meeting on 16 September 2019, received the update on carried motions. This document has been updated and is attached at Appendix A.
- 3.1.2 Officers have continued to undertake an information gathering exercise to assess the current status of Motions that have been passed and what has been completed or is in the process of being completed for each Service Area.

- 3.1.3 Information contained within the appendix of the report provides details of the number of motions submitted, those currently outstanding, those that are in progress and those that have been completed.
- 3.1.4 A number of the motions are marked as 'ongoing' due to the complexities of work that is required to complete some of the motions, it is reasonable for several motions to be 'in progress' for a period of time whilst officers carry out work prior to completion which can also involve partnership agencies. Furthermore, some motions request continual support for certain projects and as such, are inevitably regarded as ongoing. Officers have included in the action column of the document details of work that has taken place and how the motion is being actioned.
- 3.1.5 There are examples contained within Appendix A of motions that cannot be completed due to the change in circumstance of the Council following the agreement of the proposed Unitary Council.
- 3.1.6 Should Members wish to have further information on individual motions, a narrative will be provided with additional information that cannot practically be reported on the published table of motions by contacting Democratic Services who will endeavour to gather relevant information on each motion.
- 3.1.7 A further report will be submitted to Council in September 2020 updating Council on the six month progress since this meeting and on further progress of motions submitted and carried at future Council meetings.
