Report Title	STATEMENT ON INTERNAL CONTROL
---------------------	--------------------------------------

Key Decision	NO
---------------------	-----------

1. PURPOSE

1.1 To present the 2006/07 Statement On Internal Control to the Cabinet.

2. RECOMMENDATIONS

- 2.1 That Cabinet consider any comments on the statement of internal control arising from the audit committee considerations.
- 2.2 That Cabinet review the 2006/07 statement on internal control and indicate whether there are any concerns arising that need to be brought to the attention of the committee.
- 2.3 That Cabinet recommend to Council to adopt the statement of internal control subject to any comments arising from 2.1 above.

3. ISSUES AND OPTIONS

- 3.1 The Accounts and Audit Regulations 2003 require the Council to formally approve the Statement of Accounts by 30th June. This includes the adoption of the Statement on Internal Control.
- 3.2 The system on internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives. It can therefore only provide reasonable and not absolute assurance.
- 3.3 In many organisations the system (and statement) of internal control is often seen as an audit or finance function. The responsibility lies with both officers and members. In summary:
- The Council is responsible for ensuring that its business is conducted in accordance with the law and proper standards, and that public money is safeguarded and properly accounted for, and used economically, efficiently and effectively.
 - The Council has a duty under the Local Government Act 1999 to make arrangements to secure continuous improvement in the way in which its functions are exercised, having regard to value for money.
 - In discharging this overall responsibility, the Council (elected Members and officers) is responsible for ensuring there is a sound system of internal control which facilitates the effective exercise of the Council's functions and which includes arrangements for the management of risk.

5. Resource Implications (including Financial Implications)

5.1 There are no direct implications in relation to the statement on internal control.

6. Risk and Opportunity Issues
