<b>Key Decision</b>	<b>NO</b>
---------------------	-----------

## 1. Recommendations

1.1 That the Council appoint the councillors nominated in Appendix A to the Council's places on Outside Bodies for the four year term of the Council.

## 2. Summary

2.1 The Council is requested to approve the appointment of the Council's representatives on outside bodies as detailed in Appendix A for the four year term of the Council.

### 3. Report Background

3.1 The Council has a number of Councillor representatives on various outside bodies. The nominations to those bodies for the current four year term of the Council are appended to the report.

3.2 It is important for Councillors who represent the Council on these outside bodies to be formally authorised as representatives owing to insurance liability issues. The Council's current insurance provides contingent cover for Councillors representing the Council on these outside bodies, however, the primary line of cover should be from the outside body itself.
