Good morning,

On behalf of the Chief Constable of Northamptonshire Police, I am registering a formal objection to Ioannis POULIOUNAKIS becoming the DPS of Stereo. This objection is being raised under the Licensing Objective of the prevention of crime and disorder.

The basis for this is that he was convicted in May 2017 for a relevant offence namely driving a motor vehicle whilst over the prescribed limit. He was given a 17 month driving ban for this and has at no point informed the licensing authority or the court of the fact that he is a personal licence holder. The Police would have concerns that he will be responsible for a prominent night time venue in the centre of town. This is exacerbated by the fact that he is purporting to live in Coventry and with no means of driving the Police would question how he can be in day to day control of the premises and therefore exercise the responsibility as DPS. The Police believe that as with the last DPS, this is an appointment of convenience rather than substance.

Thanks  
Chris
