**Please state the ground(s) for review** (please read guidance note 1)

On behalf of the Chief Officer of Northamptonshire Police Mr EDENS, I call for Review of the Premises Licence under the Licensing Objective of the Prevention of Crime and Disorder.

This review is being applied for due to three areas of concern that the Police have with the current operation of this premises.

The first concern relates to an offence of knowingly selling alcohol to a person who is drunk which took place on the 1<sup>st</sup> February 2018. The evidence for this offence was brought to the attention of Northamptonshire Police by the CCTV control room operator. The report states that a highly intoxicated male was seen to cross the Market Square and enter the premises before emerging with a bottle of alcohol. He was then seen to walk away from the premises and kick a window.

In response to this, a visit was made to the premises on the 2<sup>nd</sup> February 2018 by P.C 1432 Stevens. During this visit, the person who was present on the premises was asked for and provided his details. A subsequent check of these details showed that he had no entitlement to work in the UK.

During the course of the investigation, the following breaches of the premises licence were also uncovered:

- 1) Failing to display spirits behind the service point and making some bottles available for self service.
- 2) Selling a single bottle of alcohol to the drunk male.

3) Failing to have a Personal Licence Holder on the premises at all times.

4) Failing to have a working CCTV system at all times/failing to provide CCTV footage upon reasonable request.

The Police view the combination of all of these concerns as sufficient to apply for this licence to be reviewed. It is the opinion of the Police that the circumstances are such that there are considerable grounds on which to revoke this licence.

**Please provide as much information as possible to support the application**  
(please read guidance note 2)

When making this application, the Police have considered the business needs of the licence holder against the needs of the wider community. The request for revocation is consistent with the Section 182 Guidance specifically paragraphs 11.20, 11.22, 11.23, 11.26, 11.27 and 11.28.

Consideration has also been given to prosecute the licence holder under Section 136 Licensing Act 2003 however it is felt that the review process is the most suitable one to follow in this instance.

The Police view the fact that four conditions have been broken as a reason that to add further conditions to the licence would not achieve the aim of upholding the licensing objectives.

The Police do not see a suspension no matter the length as being adequate to address the concerns that have been raised in this review.

The Police intend to rely on a documentary and visual evidence to make the case for their argument in the hearing.

**Please tick yes**

Have you made an application for review relating to this premises before

**If you have made representations before relating to this premises please state what they were and when you made them**

In November 2015, the premises licence was reviewed due to two drunk sales and the contribution that the premises was making to anti-social behaviour in the vicinity of the Market Square.

On this occasion, the Police asked for conditions to be added to the licence to ensure that the objectives were being upheld. These conditions were accepted and added on to the licence as part of a consent order.
